Press Release
Recognition of Territorial Update of Banying

The Social State of Banying annexed the sidewalk area and integrated it into Kyubikl on the 10th of March, 2026 A.D. The Yarekian Government has not recognised it until today, when the Government received it from the Ministry of Foreign Affairs.

We send congratulations to the Social State of Banying.

A handwritten signature in black ink, consisting of stylized, cursive letters. The signature is positioned above the printed name of the official.

Chayut M.
President & Minister of Foreign Affairs
